Ambler Main Street

P.O. Box 36

Ambler, PA 19002

215-641-1070

Ambler Main Street, a non-profit organization involving more than 100 volunteers, is dedicated to making "Downtown Ambler" a social, cultural and business center for Ambler and the surrounding areas including Upper Dublin, Lower Gwynedd and Whitpain. Downtown Ambler is fast becoming a great place to visit for good food, entertainment, shopping or just a walk on the avenue.

Ambler Main Street also administers a Facade Grant Program, which provides professional design services and funding for improvement to downtown buildings. At least 40 businesses have used these grants to paint their storefronts and install new signs and awnings. Additional state and county grant money has been awarded for the redesign and refurbishing of both the east and west entrances to the Borough on Butler Avenue as well as upgrading all the traffic signals, adding a signal at Butler and Maple, and the purchase of new street lights and street furniture.

Would you like to volunteer your time and talents to help Ambler Main Street serve the community? We are always in need of willing and talented people that desire to help make Ambler a great hometown. If interested, please visit our website.
